

FORGED UNIVERSAL TORSION BAR LOADING/UNLOADING TOOL SET

Always wear eye protection and use proper safety practices when operating this tool.
Lubricate the drive bolt prior to use and during regular maintenance.

This Universal Torsion Bar Loading/Unloading Tool Set will safely service full-sized GM 5-lug, 6-lug & 8-lug vehicles, including 2011-up HD models. Use the included Ford/Dodge Adapter to properly anchor the tool when servicing full-sized Ford & Dodge torsion keys.

USING THE FORD/DODGE ADAPTOR WITH GM TORSION TOOLS

Locate this unique bracket on the vehicle cross-member to provide a safe, secure anchor point for your GM Torsion Bar Tool to be used on Full Size Dodge & Ford vehicles with torsion bar suspensions.
